## PROFESSIONAL SUMMARY

Highly motivated and adaptable IT professional currently pursuing a **Higher Diploma in Science in Computing** at the **National College of Ireland** (Expected November 2025). With a strong foundation in **software development, UX/UI design, and database management**, I bring a **passion for innovation, problem-solving, and creating efficient digital solutions**. I am a **fast learner**, thrive in **dynamic environments**, and have strong **emotional intelligence (EQ)**, allowing me to collaborate effectively in teams and lead projects to success.

With experience across multiple industries, including **software development, digital product design, hospitality, and marketing**, I possess a unique blend of **technical expertise and customer-centric problem-solving skills**. Seeking a **challenging full-time role** where I can contribute my expertise and continue growing as a **software developer, web designer, or IoT software engineer**.

## TECHNICAL SKILLS

- **Programming:** Java (Intermediate), HTML, CSS, JavaScript, Python
- **Database Management:** MySQL
- **Software Tools:** Visual Paradigm, Microsoft Office Suite, IntelliJ IDEA
- **Web Development:** Frontend design, responsive UI/UX principles
- **Software Engineering:** Object-Oriented Programming, Data Structures & Algorithms
- **Project Management:** Agile, Scrum, Team Leadership

## PROFESSIONAL EXPERIENCE

### Assistant Manager

**Giant Hotel | Seoul, South Korea | 2020 - 2021**

- Led **team training sessions**, performance evaluations, and conflict resolution.
- Managed **customer service operations** and optimized guest experiences.
- Conducted **sales trend analysis**, inventory management, and financial reporting.

## Product Marketing Specialist

### Ulemj LLC | Ulaanbaatar, Mongolia | 2018 - 2020

- Developed product **positioning and messaging** strategies to enhance market reach.
- Created **sales presentations, training materials, and promotional campaigns** to drive brand awareness.
- Managed relationships with **vendors, partners, and agencies** to ensure smooth operations.
- Conducted **data analysis** to measure campaign success and optimize marketing strategies.

## Accountant

### Nomadic Expeditions | Ulaanbaatar, Mongolia | 2012 - 2014

- Managed **accounts receivable/payable** and reconciled financial statements.
- Developed accurate **budget forecasts** and financial reports.
- Processed monthly closing entries for **multiple companies' financial records**

## EDUCATION

### Higher Diploma in Science in Computing (Level 8)

#### National College of Ireland, Dublin, Ireland | Expected: Nov 2025

Relevant Coursework: **Object-Oriented Software Development, Databases, Web Development, Algorithms, Distributed Systems**

### Professional Master's in Digital Product Design (UX/UI)

#### TECH Global University, Mexico | 2023 - 2024

### Master of Arts, Social Welfare

#### Daehan Theological University, South Korea | 2015 - 2017
